P4 to P7 Registration

9th March 2021

Dear Parent/Carer

Parents must only send their child/ren to school if they cannot make alternative arrangements. Parents should not send their children to school if a parent is at home.

Parents must register their child/ren if they wish to send their child/ren to school from Monday 15th March. It is essential to register your child for contact tracing purposes. **Due to the high number of children attending school unregistered pupils will not be able to attend.** The registration form can be accessed at the following link. **Registration will close on Friday 12th March at 6.00pm.**

Children of **key workers** and **vulnerable** children have access to '**supervised learning**' within an appropriate age group bubble at St Mary's. Children **will not** be taught as if they are in a normal classroom setting. **P4 to P7 children should use the RECEPTION/OFFICE entrance each morning.** Normal school times will operate for each year group. Doors will open from 8.45am.

Please make Afterschool Club bookings in the normal way.

Parents **must not** send their child/children to school if they have any Covid-19 symptoms including:

- a high temperature
- a new, continuous cough
- a loss or change to your sense of smell or taste.

A confirmed positive Covid-19 case may result in the closure of the group bubble for 2 weeks and children needing to self-isolate for 10 days.

Please check your child's Seesaw account and school app for details regarding the collection of packs, reading books, Zoom meeting times etc.

Stay Safe!
