

# THREE'S A CROWD MUSIC GUITAR, UKULELE AND DRUMS TUITION

## UKULELE CLUB FOR YEAR 4 2022-2023

Dear Parents/Guardians,

My name is Mick Brady and, as some of you already know, I am the guitar, ukulele and drums teacher in St Mary's P.S. and in the 2022 - 23 academic year I will be offering "Ukulele Club" as an after school activity for Year 4.

Ukulele is a fantastic instrument and is great fun to play for any age but is of particular value to younger children. It helps improve motor skills and coordination and it can act as a platform for a child who wishes to learn guitar at a later stage.

Children who take part in the club will also learn the basics of music theory and singing with their instrument but **the fundamental purpose of the club is to have fun with music.**

**The cost of the club is £35 per term** (usually 10 classes) and it would be my aim to have a group performance for parents during the school year.

I can provide a very limited number of instruments for use in the club but if you would like your child to bring their instrument home every week they can be purchased, through me, for £20 from a local supplier. (This price may vary depending on the supplier).

**All precautions will be taken in line with school guidelines to prevent the spread of Covid – 19 and all shared resources will be sanitised both before and after club.**

If you would like your child to join Ukulele Club then you must book their place by contacting me or filling out the form below and returning it to school. If you have any questions, feel free to contact me as well.

I look forward to hearing from you. Thanks for your time.

Mick Brady.
