The Skipping Rope Queen

CLASS 22A GIRLS P1

I never slide and never slip
I never tumble, never trip.
I never tangle, never fall,
I never get tied up at all.
I am the fastest ever seen
I am the playtime skipping queen.

Playground Song

CLASS 22B BOYS P1

Round and round the roundabouts
Fast and slow
Sliding down the slides
High to low
Swinging on the swings
To and fro
Playing in the playground
Watch me go!
