

Class Discussion

CLASS 29 GIRLS P5

‘In the class discussion, Jane, you hardly said a word.
We all aired our opinions but from you we rarely heard.
You sat and stared in silence surrounded by the chatter,
Now tell me, Jane, and please be plain,
Is there anything the matter?’

Jane looked up and then she spoke,
Her voice was clear and low:
‘There are many people in this world
Who are rather quiet you know!’

Will it go to a Replay?

CLASS 30 BOYS P5

Last night's cup-tie
Everton and Sheffield United
was so exciting, really tough.

Two teams battled it out
through the rain and mud
as goal after goal
thudded into the net.

The crowd went wild
just loved
every nail-biting moment.

Four-four
with five minutes left
of extra time
both teams down to nine men
and the tension tightening.

In those dying minutes
both sides
cleared their goal lines
with desperate headers.

Everton missed a penalty
United missed an open goal.

With seconds to go
a replay at Bramall Lane
seemed certain, until

Everton had to go in for her tea
and Sheffield United went to the shops
for his mum.
